

Presented by: Lorain County Veterans Service Commission  
Lorain County Chamber of Commerce

**REVS 22 is gearing up for its third year! Last year, we drew over 325 participants to Lorain County, raising \$20,000+ for Veteran crisis relief. As we prepare for this year's race on November 9th in downtown Elyria, we're seeking sponsors to join us. With an expanded racecourse and enhanced amenities for 2024, sponsors will gain visibility and engagement opportunities while supporting Veteran suicide awareness and intervention services in Lorain County.**
